

2010 Shepherds Harvest Festival

Fiber Sandwich

A festival-wide hand-spinning event that benefits Heifer International.

Sign up at www.shepherdsharvestfestival.org

What is a Fiber Sandwich?

An exotic assortment of donated fibers layered into a sandwich and then divided amongst a group for spinning into one-of-a-kind skeins of yarn.

How does it work?

Bring your wheel to the festival on Saturday, May 8th and pick up your 4oz of fiber at the Fiber Sandwich booth. Spend the day enjoying the festival and spinning your fiber with other spinners.

At the end of the day, bring your completed skein back to the booth. Festival-goers can purchase these unique and fascinating skeins of yarn at the Silent Auction to benefit Heifer International, on Sunday, May 9th.

Registration is free!

Space is limited so sign up early at www.shepherdsharvestfestival.org.

Bring your wheel and a chair to the festival and enjoy the spinning event of the year!
